Subject: All We Can news for the district

Good morning,

I hope that this message finds you well in these strange times, and apologies for the group email – we wanted to get this message to you as soon as possible. Is there a way you can help get this message out to your district?

We were made aware that, as of this morning and in light of coronavirus, Methodist Church House is now closed. As this building is where All We Can's offices are located, we are now not able to access the post that might be addressed to our office at 25 Marylebone Road, and it is not yet clear when we will be able to access the building. It is therefore really important for our work that the following message makes it out to the churches and circuits in the district, to ensure lots of post doesn't go missing or get returned, especially if it may contain money:

If you do have post for All We Can, that you contact the Supporter Care Team on 020 7467 5132 (the office phone will redirect to the relevant person) or info@allwecan.org.uk to make alternative arrangements. Or, if you have a donation to submit on behalf of a church, group or individual, can we encourage you to do that online – the webpage to do that is here: <https://www.allwecan.org.uk/give/make-a-donation/>
If you would like to request our Bank Details in order to make a bank transfer, please contact the Supporter Care Team (contact details as above).

Please do pass on this message to anyone in your church or circuit who might be handling finances or considering sending post to All We Can (e.g. Church Treasurers or treasurers of church groups, such as Women's Fellowships, Men's Breakfasts, etc.)

Please note – this does **not** mean that All We Can has ceased it's work – poverty and injustice continue in our world and as the virus spreads to parts of the developing world, our commitment to working alongside local communities to help them fulfil their potential is **more important than ever**. The work continues.

Thank you for your patience with us in these strange times – do let me know if you have any questions at this point.

You may also find our devotional materials designed for 'worship at home' helpful – see allwecan.org.uk/allthings – again, this is something you could pass on to people in your congregations and who might be self-isolating.

Grace and peace to you and yours,

Matthew Forsyth
